Allow Sufficient Time For Traffic And Weather!!

Check website for detailed directions
http://nationalwesterncomplex.com/map/
Parking is $10 each day in the lot near the front of the entrance to the Expo Hall (Lot A).

6:15 a.m.- Doors to Event Center open

7:00 a.m. - Doors to Expo Hall open

You are encouraged to use the restrooms located inside Event Center prior to entering South Lobby entrance. Restrooms are located within test room but are limited in number.
Upon entering doors proceed immediately to the third level where you will be screened before entering the test room. Anticipate some congestion as screening will take time and lines may move slowly.

Screening includes:

- Moving through metal detectors
- Verifying your admission badge is properly affixed (it MUST be seen at all times)
- Verifying your clothing is appropriate, your pockets are empty, and you carry no prohibited items.

Think twice about bringing personal items – they are not allowed in the test room and will be stored in a room with all other test taker’s personal belongings. The Office of Attorney Admissions is NOT responsible for any lost item(s).
Bar Examination

The Colorado Uniform Bar Examination (UBE) consists of three parts: The Multistate Essay Exam (MEE), the Multistate Performance Test (MPT) and the Multistate Bar Exam (MBE). In order to pass the Colorado Bar Examination, an examinee must sit for both days of the bar examination and achieve a score 276 scale points out of a possible 400.

The Office of Attorney Admissions works with the Law Committee, which is part of the Board of Law Examiners, to administer two bar examinations each year, one in February and one in July.

The Law Committee is comprised of 11 volunteer members appointed by the Colorado Supreme Court. The Committee oversees the process of grading the written examination to ensure uniformity and quality of grading, and reviews and approves the standards that must be met to pass the written examination. See C.R.C.P. 202.3(2).
