

## July 2021 Colorado Remote Bar Examination Schedule

**STANDARD TEST TIME SCHEDULE: All testing times are in MOUNTAIN TIME.** If you are taking the exam from another time zone, you will still follow the Colorado UBE time schedule. On the day of the exams, please have your computer on and access the internet PRIOR to the start of each session. Each session will have a unique password for you to access the exam. **Passwords** will be provided 15 minutes prior to the start time for each test session. ExamSoft will provide the passwords for each test session on their password website, as well as via email. Examinees will have a 15-minute grace period after the test session start time to login, after which time examinees may not be able to access the session.

You must contact ExamSoft tech support immediately if you are having issues accessing the exam; if unable to resolve – you must contact the OAA to provide guidance. DO NOT wait to contact ExamSoft Tech Support or OAA if you are having issues accessing the exam according to this testing schedule. ***Non-Standard Test Times will be scheduled on an individual basis.***
